PRICE LIST
June.2025

Ceeje Progressive Electrical Industries LLP is a leading player in the electrical sector with nearly five decades of expertise. The company's portfolio caters to both residential and industrial needs, offering durable, innovative, and energy-efficient solutions. Their operations are guided by core values of integrity, quality, and customer-centricity. With a nationwide presence, their regional offices ensure accessibility and strong distribution networks across India.

CEEJE integrates rigorous quality control measures throughout its manufacturing processes to ensure compliance with industry standards and customer expectations. Its electrical products including switches, MCB & Dbs, wires & cables, PVC Pipes & fittings are designed for durability, safety, and energy efficiency. By consistently adopting innovative practices and advanced technology, **CEEJE** aims to deliver solutions that meet both domestic and international market demands. Their commitment to excellence has earned them a reputation for reliability and trust among clients. Additionally, the company emphasizes sustainable practices, ensuring long-lasting performance while adhering to environmental standards.

We are what we repeatedly do...
EXCELLENCE
therefore it is not
an act but a **HABIT**
